Newsletter Publishing Guide

How to write, format, preview, and publish District 6 campaign updates on jpecke.com

DECAP VISUAL CMS

`jpecke.com/admin/`

Welcome, Lisa!

This guide provides a clear, step-by-step walkthrough for writing and publishing news, community reports, and Quorum Court updates directly to your official campaign website (**jpecke.com**). Everything is managed through a clean visual editor in your standard web browser. **You do not need any coding knowledge or a GitHub account.**

The 3-Minute Publishing Flow

AT A GLANCE

1	2	3	4	5
Log In	**New Article**	**Write & Photo**	**Live Preview**	**Publish!**
Open **jpecke.com/admin** on your computer or phone.	Click the blue **New Newsletter Article** button.	Type your headline, story text, and pick a picture.	Review your story in real time on the right-hand screen.	Click **Publish**. Live on jpecke.com in 60–90 seconds!

1. Logging In to the Editor

Section 1

1. Open your web browser (Google Chrome, Apple Safari, Microsoft Edge, or Firefox).
2. In your browser's address bar, navigate to: **https://jpecke.com/admin/**
3. You will see the **Lisa Ecke Campaign • Newsletter Administration** login box.
4. Enter your campaign **Email Address** and **Password**, then click **Log In**.

> 💡 **Lisa's Tip:** Click the bookmark star (or press `Ctrl+D` on Windows / `Cmd+D` on Mac) to bookmark **jpecke.com/admin/** so you can access your newsletter manager anytime in a single click!

2. Tour of Your Dashboard

Section 2

Left Navigation Sidebar

Displays **Newsletters**. Clicking this shows your complete archive of articles and dispatches.

Blue "+ New Newsletter Article"

Located at top-right. Click **+ New Newsletter Article** whenever you want to write a new post.

THE THREE DASHBOARD TABS:

- **All:** Every article ever written in order.
- **Published:** Only articles currently live.
- **Saved Drafts:** Private working drafts.

3. Creating a New Article • Field-by-Field Guide

Section 3

Click **New Newsletter Article**. You will see an easy-to-fill form. Here is what each box does:

1. Article Title — REQUIRED

The headline for your update.
Example: "Quorum Court Adopts 2027 County Budget Priorities"

2. Publication Date — AUTO-FILLED

Automatically fills with today's date and time. You can change this if you are backdating an earlier update.

3. Draft Mode (Checkbox) • Your Safety Switch — KEY CONTROL

☑ CHECKED (Draft Mode ON)

100% Private. Keeps your article completely invisible to voters. Perfect when stepping away or working ahead.

☐ UNCHECKED (Ready for Public)

Ready to Publish. Article goes live on jpecke.com as soon as you click the green Publish button.

4. URL Slug — LEAVE BLANK

Leave this blank! The system automatically creates a clean web address from your headline.

5. Featured Photograph — RECOMMENDED

Click **Choose an image** to pick or upload a photo from your computer or phone.

6. Caption / Alt Text — HELPFUL

A short description of the photo.
Example: "Lisa Ecke presenting budget updates to District 6 constituents."

7. Article Summary / Excerpt — LEAVE BLANK

Leave this blank! The system automatically uses your first sentence for the preview card on the archive page.

8. Article Content • Main Story Area — REQUIRED

This is where you write your story! It includes a visual formatting toolbar at the top with buttons for bold text, headings, bullet lists, quotes, and links (see Page 3).

4. Formatting Your Text • Visual Toolbar Cheat Sheet

Section 4

The **Article Content** box has an easy toolbar at the top. Simply highlight any text and click the icon:

TOOLBAR ICON	WHAT IT DOES	WHEN TO USE IT	VISUAL RESULT
B **Bold**	Makes selected words bold and prominent	Dates, deadlines, dollar figures	**May 12 Primary**
I *Italic*	Slants text for emphasis or official titles	Committee names, resolutions	*Ordinance 2026-08*
H2 **Heading**	Creates a large section header	Dividing article into major topics	**County Road Investments**
H3 **Subheading**	Creates a medium subsection title	Subtopics under an H2 header	**West Fork Bridge Repairs**
“ ” **Quote**	Creates an elegant indented blockquote	Key campaign statements or voter quotes	*“Taxpayers deserve accountability.”*
• **Bullet List**	Creates neat, scannable bullet points	Listing accomplishments or priorities	• Fiscal responsibility • First responders
1. **Number List**	Creates a sequential numbered step list	Step-by-step instructions	1. Check voter registration 2. Early vote May 5
🔗 **Link**	Turns highlighted words into clickable links	Linking to county agendas or PDFs	View 2027 Budget PDF

5. Adding Photographs and Captions

Section 5

📸 Main Featured Photo (Top of Article)

Appears prominently across the top of your article and on the main archive page:

1. In **Featured Photograph**, click **Choose an image**.
2. Click **Upload new** to pick a photo from your computer.
3. Type a 1-sentence description in the **Caption / Alt Text** box.

🖼️ In-Body Photos (Inside Story Text)

You can place extra community pictures right inside your story paragraphs:

1. Click inside your story where you want the picture.
2. In the toolbar, click the **+** or **Image** icon.
3. Select your image, enter a caption, and it inserts into your text!

✨ **Photo Pro-Tip:** Horizontal (landscape) photos look best for the top featured picture! Smartphone photos in `.jpg` or `.png` format upload smoothly without needing any manual resizing.

6. Live Split-Screen Preview

Section 6

As you type on the left, the **right-hand pane updates instantly** to show you exactly how your newsletter will look to voters before you publish:

Official Cinzel Headings | Crisp Inter Body Copy | Navy & Gold Accents | Styled Editorial Drop Caps

7. Saving Private Drafts

Private

Need to step away or wait for more details before publishing?

1. Make sure **Draft Mode** is **CHECKED**.
2. Click the green **Save** button in the top bar.
3. Your work is safely stored under your **Saved Drafts** tab. It is 100% invisible to the public.

8. Publishing Live to Website

Live

When your story is complete and ready for District 6 voters:

1. Make sure **Draft Mode** is **UNCHECKED**.
2. Click the green **Publish** button in top bar.
3. Click **Publish now** to confirm.
4. **That's it!** Live at **jpecke.com/newsletter/** in 60–90 seconds.

9. Editing an Existing Article

Section 9

1. Go to **jpecke.com/admin/** and log in.
2. In the newsletter list, click on the article you wish to revise.
3. Make your text revisions or change photos.
4. Click **Publish** (or **Save**).
5. The live article and archive update automatically!

10. Logging Out Safely

Section 10

1. Look at the top-right corner (or bottom-left sidebar).
2. Click your user name / email address.
3. Select **Log Out** from the dropdown menu.

Your work is always safely preserved upon clicking Save or Publish.

11. Frequently Asked Questions • Quick Help

FAQ

❓ Do I need a GitHub account?

No! You only need your email address and password to log in at **jpecke.com/admin/**. Everything else happens behind the scenes.

⏱️ How long does publishing take?

Usually **60 to 90 seconds**. Our automated system rebuilds the page and updates search indexing. Simply refresh **jpecke.com/newsletter/** to see it live.

🛡️ Can I unpublish an article?

Yes! Open the article, check the **Draft Mode** box, and click Save/Publish. The article is instantly removed from the public website.

🔑 What if I forget my password?

Click **Forgot password?** on the login screen to receive a secure reset link by email, or contact your campaign webmaster.

✅ Lisa's Pre-Flight Publishing Checklist

30-Second Check

- ☑ Catchy, clear article headline entered
- ☑ Featured photograph chosen + short caption
- ☑ Draft Mode UNCHECKED (for public release)
- ☑ Live preview checked on right pane
