Newsletter Publishing Guide

A Simple, Step-by-Step Desk Reference for Writing, Formatting & Publishing Updates

DECAP VISUAL CMS

jpecke.com/admin/

Welcome, Lisa!

This guide provides a clear, step-by-step walkthrough for writing and publishing news, community reports, and Quorum Court updates directly to your official campaign website (**jpecke.com**).

Everything is managed through a clean visual editor in your standard web browser. **You do not need any coding knowledge or a GitHub account.** It works just like writing an email!

The 3-Minute Publishing Flow (At a Glance)

QUICK START

1. **Log In** — Open **jpecke.com/admin** on your computer or phone.
2. **New Article** — Click the blue **New Newsletter Article** button.
3. **Write & Photo** — Type your headline, story text, and choose a picture.
4. **Live Preview** — Review your story in real time on the right-hand screen.
5. **Publish!** — Click **Publish**. Live on jpecke.com in 60–90 seconds!

Peace of Mind Guarantee: You can never accidentally break the website! You can save your work privately as a draft at any time, review it with family or campaign staff, and publish only when you are completely ready.

1. Logging In to the Editor

Step 1

1. Open your preferred web browser (Google Chrome, Apple Safari, Microsoft Edge, or Firefox).
2. In your browser address bar at the very top, type: https://jpecke.com/admin/ and press Enter.
3. You will see the **Lisa Ecke Campaign • Newsletter Administration** login box.
4. Enter your campaign **Email Address** and **Password**, then click the blue **Log In** button.

> 💡 **Lisa's Helpful Bookmark Tip:** Click the bookmark star (or press `Ctrl+D` on Windows / `Cmd+D` on Mac) to bookmark **jpecke.com/admin/** so you can open your newsletter manager with a single click anytime!

2. Tour of Your Dashboard

Step 2

Once you log in, the dashboard gives you a clean view of your articles:

Left Navigation Sidebar

Displays **Newsletters**. Clicking this displays all your dispatches and articles in one place.

Blue "+ New Newsletter Article"

Located in the top right. Click **+ New Newsletter Article** whenever you are ready to write a new post.

THE THREE DASHBOARD TABS:

- 📁 **All:** Every article ever written in order.
- 🟢 **Published:** Only articles currently live on jpecke.com.
- 📝 **Saved Drafts:** Your private working drafts (never public).

3. Creating a New Article • Field-by-Field Guide

Step 3

Click **+ New Newsletter Article**. You will see an easy-to-fill form. Here is what each box does:

1. Article Title

REQUIRED

The main headline for your update. Make it clear and engaging for District 6 voters.
Example: "Quorum Court Adopts 2027 County Budget Priorities"

2. Publication Date

AUTO-FILLED

Automatically fills with today's date and time. You can change this if you are backdating an earlier update.

3. Draft Mode (Checkbox) • Your Safety Switch

KEY CONTROL

This checkbox gives you complete control over when voters see your update:

☑ CHECKED (Draft Mode ON)

100% Private. Keeps your article completely invisible to voters. Perfect when stepping away or working ahead.

☐ UNCHECKED (Ready for Public)

Ready to Publish. Article goes live on jpecke.com as soon as you click the green **Publish** button.

4. Featured Photograph

RECOMMENDED

Click **Choose an image** to pick a photo from your computer or choose from the pre-loaded campaign gallery photos.

5. Caption / Alt Text

HELPFUL

A short, descriptive caption.
Example: "Lisa Ecke presenting budget updates to District 6 constituents."

6. Article Content • Main Story Area

REQUIRED

This is where you write your story! It comes with an easy formatting toolbar at the top (see next page for formatting shortcuts).

4. Formatting Your Text • Visual Toolbar Cheat Sheet

Step 4

The **Article Content** box has an easy toolbar at the top. Simply highlight any text with your mouse and click the corresponding button:

BUTTON	WHAT IT DOES	WHEN TO USE IT	VISUAL RESULT
B Bold	Makes selected words bold and prominent	Dates, deadlines, dollar figures	**May 12 Primary**
I Italic	Slants text for emphasis or official titles	Committee names, resolutions	*Ordinance 2026-08*
H2 Heading	Creates a large section header	Dividing article into major topics	**County Road Works**
H3 Subhead	Creates a medium subsection title	Subtopics under an H2 header	**West Fork Bridge**
" " Quote	Creates an elegant indented blockquote	Key campaign statements or voter quotes	*"Taxpayers come first."*
• Bullets	Creates neat, scannable bullet points	Listing accomplishments or priorities	• Fiscal responsibility • First responders
1. Numbers	Creates a sequential numbered step list	Step-by-step instructions	1. Check registration 2. Early vote May 5
🔗 Link	Turns highlighted words into clickable links	Linking to county agendas or PDFs	View 2027 Budget PDF

💡 **Readability Secret for Voters:** Break your article into 2 or 3 short sections using **H2 Headings** and **Bullet Lists**. Readers love quick, easy-to-scan updates on their smartphones!

5. Adding Photographs and Captions

Step 5

📸 Main Featured Photo (Top of Article)

Appears prominently across the top of your article and on the main archive page:

1. In **Featured Photograph**, click **Choose an image**.
2. Click **Upload new** to pick a photo from your computer or phone.
3. Or select any pre-loaded photo from the campaign gallery!
4. Type a 1-sentence description in the **Caption** box.

🖼️ In-Body Photos (Inside Story Text)

You can place extra community pictures right inside your story paragraphs:

1. Click your cursor inside your story where you want the photo.
2. In the toolbar, click the **+** or **Image** icon.
3. Select your image, enter a caption, and it drops right into your text!

✨ **Photo Pro-Tip:** Horizontal (landscape) photos look best for the top featured picture! Smartphone photos in `.jpg` or `.png` format upload smoothly without needing any manual resizing.

6. Live Split-Screen Preview

Step 6

As you type on the left, the **right-hand pane updates instantly** to show you exactly how your newsletter will look to voters before you publish:

Official Cinzel Headings	Crisp Inter Body Copy	Navy & Gold Accents	Styled Editorial Drop Caps

7. Saving Private Drafts

Private

Need to step away or wait for more details before publishing?

1. Make sure **Draft Mode** is **CHECKED**.
2. Click the green Save button in the top bar.
3. Your work is safely stored under your **Saved Drafts** tab. It is 100% invisible to the public.

8. Publishing Live to Website

Live

When your story is complete and ready for District 6 voters:

1. Make sure **Draft Mode** is **UNCHECKED**.
2. Click the green Publish button in the top bar.
3. Click **Publish now** to confirm.
4. **That's it!** Live at **jpecke.com/newsletter/** in 60–90 seconds.

9. Editing or Updating an Existing Article

Step 9

Need to fix a typo, add new details, or update a photo on a story you already published? It takes less than 30 seconds:

1. Go to **https://jpecke.com/admin/** and log in.
2. In the list of newsletters, click on the article you wish to revise.
3. Make your revisions, add new text, or replace photos.
4. Click Publish (or Save).
5. The live article and archive update automatically within 60–90 seconds!

10. Logging Out Safely

Step 10

When you are finished updating your website:

1. Look at the top-right corner of your screen (or bottom-left sidebar).
2. Click your user name / email address.
3. Select **Log Out** from the dropdown menu.

11. Frequently Asked Questions • Quick Help

FAQ

❓ Do I need a GitHub account?
